c) *02/23/16 amended to 07/25/18* - On or as shortly after December 31st as possible each year, the Treasurer will tabulate the nominations that were returned in response to the December 1 email from the Treasurer. The Treasurer will then report the complete results to the Corresponding Secretary, who will then inform the Board, and where feasible the appropriate Show Chairperson, of the nomination results.

d) As soon as possible after the date and location of the National specialty for which the membership will vote to select judges have been determined, the Show Chair will then contact the top five (5) Regular Class and top three (3) Sweepstakes nominees in order, beginning with the nominee in each category who received the most nominations, to ask if

they are able to judge on the date of the show and in the case of Regular Class nominees, for the fee the Board has agreed to pay the regular class judge for the year in question. The Show Chair will keep contacting the top nominees in order until there are five (5) names for Regular Class and three (3) names for Sweepstakes Classes to put on a ballot. If there is a tie anywhere within the top five (5) nominees for Regular Class or within the top three (3) nominees for Sweepstakes Classes, all nominees involved in the tie will be contacted and all who indicate their availability and willingness to judge on the date of the show will be included on the ballot. g) 01/25/17 amended to 5/31/17. When the Tellers Committee has completed its work in tallying the membership vote, the chair of this committee shall email a written report of the voting to the Corresponding Secretary, who will share this report with the Show Chair. The show chair shall contact each of the two winners to verify that each is still willing and available to judge at that National. If a Show Secretary has not yet been selected, the Corresponding Secretary shall carry out this task.

Once acceptances in writing have been received, the Corresponding Secretary shall mail a formal congratulatory letter to the winners of the Conformation and Sweepstakes judging assignment. The Corresponding Secretary shall now also inform the Board of the results and shall inform the membership of the results by posting them on the password protected members-only portion of the Club's website within 7 days of receiving them. Additionally, the Corresponding Secretary shall also notify any nominees who are NOT Club members of the winners for both Regular Class and Sweepstakes Class assignments for the National in question.

h) The show chair shall then follow up by sending a congratulatory note and judging contract to each of the elected judges (templates for the notes and contracts are available from the Corresponding Secretary) and will mention to each judge that when closer to the date of the specialty, each judge will receive a Hospitality questionnaire from the Specialty Show Chair in order to gather information on the judge's needs well ahead of his/her assignment (the template for said questionnaire is available from the Corresponding Secretary).

i) Any judge who is voted first place by the membership to judge PCA, but who notifies the Show Chair within thirty (30) days that he/she is no longer available for the show date will automatically be offered a contract to judge the following year(s) for which no judge has yet been selected by the membership. In this case, the judge that came in second shall then be offered the judging assignment for the year in question. In the case of a tie for first place, the

Board shall vote to break the tie. The judge that does not win the tie-breaker shall be offered a contract to judge the following year(s) for which no judge has yet been selected by the membership.
