

GUIDELINES FOR NATIONAL ROTATING SPECIALTY SERIES

Most recently reviewed by the author(s): 06-10-22

The hosting Regional Specialty Club show committee will have the planning and operational responsibility for putting on the Pekingese Club of America National Rotating Specialty. However, the ultimate approval and responsibility for the Pekingese Club of America National Specialty rests with the PCA Board and Chairperson of the PCA National Rotating Series.

Under the direction of the above-mentioned Chairperson, the host Regional Specialty Club Show Committee will be responsible for coordination of all activities during the National Rotating Specialty Series. This includes insuring that all participating groups (i.e. other Regional Specialty Clubs) meet the guidelines for the Series.

I. REGIONAL SPECIALTY CLUB ELIGIBILITY REQUIREMENTS FOR SUBMITTING AN APPLICATION TO HOST THE PCA NATIONAL ROTATING SPECIALTY.

The Club:

1. Must be a licensed regional specialty club qualified by AKC rules to hold at least one annual specialty show.
2. Must hold regular membership meetings.
3. Must submit a membership list and current constitution and by-laws approved by the AKC.
4. Must have at least three members who are also members of PCA.
5. Must designate a member as liaison to the National Club's Chairman.
6. Must submit a financial report of solvency (the two most recent club bank statements).

II. APPLICATIONS

1. The chairperson of the PCA National Rotating Specialty Committee will, in the summer or fall two years prior to the event, send an invitation to submit a bid to host a National Specialty and a copy of the Guidelines for hosting the PCA National to each Regional Club Secretary. The Regional Club Secretaries must reply to the PCA National Rotating Chairperson's email invitation notifying him or her of receipt within ten days of receipt of the invitation and Guidelines.
2. Written applications from each of the potential hosting clubs are to be mailed to the PCA Show Committee Chairperson by January 15, at least 24 months in advance of the prospective show.
3. If no club submits a bid, PCA may choose to be the host for that year and choose a region in which to hold the show. PCA may hold any number of shows during that series and may invite any regional club in the chosen geographic region to join the series.
4. The application shall include the following minimum information:
 - a. The name of the hosting club.
 - b. Location and date(s) and whether separate or in conjunction with an all-breed show (separate Specialty is preferred, but not mandatory). Note: The dates for holding this event must fall between May 1st and November 15th. The Board will consider other dates upon request, but any other date cannot conflict with the Westminster KC Show or AKC/Royal Canin National Championship.

- d. Documentation of communication with any all-breed club involved as part of the Rotating weekend as to : a) how far in advance they hire their judges; b) will they allow the Specialty Club to suggest a Pekingese judge (who perhaps can also do other breeds at that show) for that date.

- 1) Site Plan: An air-conditioned indoor independent (not with an all-breed show) Specialty is highly recommended. Do the clubs display enthusiasm and a cooperative attitude?). The Board will review the applications and recommendations and select a host Regional Specialty Club.
